**Revised Circular- STREAM OPTION FOR CLASS XI SESSION (2017-18)**

Dear Parent,

Ref. Stream allocation Circular dated 7<sup>th</sup> March 2017; this is to update you that the School is finally offering the following Stream/s and the respective subject combinations /options in each Stream to the Students for the Academic Session 2017-18.

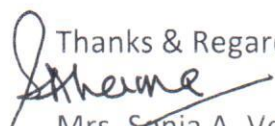

**This has been considered keeping in mind the interests and inclination of the Students and Parents towards the following offered Streams** and their respective subject combinations. Also, Humanities has been dropped this year because of fewer interested students/parents for the Stream; besides, not meeting the School's minimum requirement of 20 students to start off with the Stream effectively.
