

Dear Parent,

ADMISSIONS-2019-20

Building a strong foundation fosters lifelong learning and cherishing success for the children at every stage of life.

We are at the threshold of yet another eventful session. The new session always brings with it new hopes, aspirations and infinite opportunities. The school is committed in its persistent endeavor to create successful, responsible and dynamic leaders with compassion, curiosity and creative fire.

The school has featured prominently among **top 10 best schools in Ghaziabad by Education World India School Rankings 2018** for its pioneering and innovative approach to education. We have also been a proud recipient of **Green School Certificate** for the last three years by **Centre for Science and Environment (CSE)** for our initiative in making a "**pollution free school**". The school has also been acknowledged by Ghaziabad District Administration for its willing contribution in **Kachra Samadhan Mahotsav**, a flagship programme of Ghaziabad District.

The School is on a campus of **10 acres**, out of which 8 acres is used for honing talent in sports. It is always our endeavor to raise the bar of excellence with professionalism, vibrant dynamism and acute consciousness. Being a treasure trove of sports and games, the school is equipped with Cricket Field, Football Ground, Volleyball Court, Skating Rink, Golf Field, Archery Shooting Range & Basketball Court with specialized coaching in Yoga, Taekwondo, Gymnastics, Yoga and Athletics. The successful conduct of **CBSE Cluster XIX Athletic Meet, CBSE North Zone I Archery Championship and Inter-Salwan Athletic Meet** in October, 2018 with an overwhelming response from participating schools, has further guided us to break new grounds by providing ample opportunities to our students.

The school campus has spacious & **smart classrooms** that provide the most conducive atmosphere for dynamic and focused learning. These classrooms have been designed to bring together analysis with action and are augmented with **integrated audio-visual teaching aids** for lectures and presentations.

The landmark initiative of the school is the establishment of **State-of-the-art IT Lab** which promotes research, discovery and technical ingenuity among students. The upcoming library of the school is a fully automated and an integrated **Knowledge Resource Centre** well stocked with a wide variety of books, magazines, Indian & International Journals, kindle and other online resources supporting all aspects of studies and research.

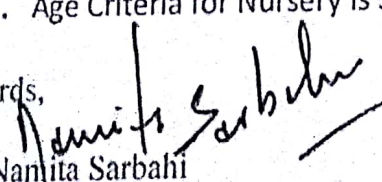

We are glad to inform that the admission to Nursery and K.G Classes for the Session 2019-20 will commence w.e.f. Wednesday, 14th November, 2018.

I, on behalf of my management, welcome the new batch of students and invite them to embark on an intellectually invigorating journey with us.
