Dear Parent

We believe that the spirit of running encompasses within itself the joy of oneness, inner satisfaction and stamina. With an aim to inculcate the spirit of sports, courage and determination amongst the youth, Salwan Education Trust; in collaboration with ‘Hindustan Times’ is organizing ‘Salwan Marathon’ on Sunday, 6th November, 2016.

Viewed by over 1 crore people across the nation and with a registered participation of over 50,000 students along with 2200 differently abled students in its 19th edition, the marathon secured to itself a prestigious recognition in the Limca Book of Records.

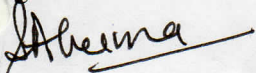

This year also, we hope for a fruitful marathon experience with maximum participation. The best performers will be felicitated with token of appreciation.
