To encourage reading and writing skills among the teachers we make sure that teachers issues book from the library and book review is presented in the staff meeting. Also teachers are encouraged to write articles on the topic of their interest.

Looking forward that this year through CPD we can create opportunities for collaboration with colleagues and teacher peer support, encourage and support teachers in obtaining resources recognize the interplay between teacher and head teacher for their professional development. Which will certainly lead to holistic commitment of teachers towards the enhancement of personal skills and proficiency throughout their careers.

CBSE CAPACITY BUILDING PROGRAMME FOR ECONOMICS

Around 60 teachers from different CBSE schools attended the Capacity Building Programme. Commencing with NCERT textbook and emphasizing on teachers to be role models for students, the session gradually moved on to the topics of Multiple Intelligence and other methods of teaching economics. Points like “Concept Mapping” for the students, were stressed on. With some topics deleted from the curriculum, how CBSE will reframe its question paper was deliberated. Tips were given to deal with slow and extra bright students of the class. The Open House saw maximum teacher participation asking queries on the subject. The workshop endowed the teachers with a new approach towards Project Work and was indeed fruitful.

Objectives:

- ✓ To make students understand basic economic concepts
- ✓ To develop economic reasoning to be applied in day-to-day life
- ✓ To sensitize educators about the current economic issues
- ✓ To make them understand about multiple solution option available to solve a proble
