

PROCESS OF STREAM SELECTION FOR CLASS XI

In order to ensure effective stream selection, the school has followed a transparent and scientific process, considering all aspects. The process followed is mentioned below:

1. A Career Counselling session was held with parents and students of class X, with an aim to understand the aptitude and interest towards specific subjects and career planning for a better future.
2. Google form was shared for knowing about the Student Preference/Interest for a particular stream.
3. Aptitude Test was prepared for students keeping in mind various skill sets and Aptitude required for different streams.
4. Aptitude Test preparation classes were held for students, after which the students appeared for the online Aptitude test.
5. Criteria for Stream selection was decided based on all parameters.
