

## **GLORIOUS ACHIEVEMENT AT SCIENCE FILM FESTIVAL**

Two teachers of the school, Ms. Swati Sharma and Ms. Priyanka Rana, participated in **Ghaziabad Science Film Festival, 2017** organized by Regional Science and Technology Centre, Ghaziabad hosted by D.P.S. Raj Nagar on Saturday, 11<sup>th</sup> November 2017. It was a moment of immense pride when the school gloriously won second position in the Category **Teachers for the documentary titled “Worthwhile Blooming....an approach to sustainable development”** in a closely contested competition by topmost schools of the district.

## **LEARNINGS AND TAKEAWAYS**

- ✓ The documentaries in the Film Festival encompassed influential information and involved extensive research and integrated group effort.
- ✓ Through the rich mode of a documentary, the teachers were able to educate and enlighten themselves as well as others.
- ✓ This venture was aimed at stimulating the minds of one and all in favour of the valuable role of Science in bringing a positive change in the world and to develop a universal scientific temperament.
- ✓ The teachers learnt the art of making documentary via Cinematography, Graphic Effects, 3-d Animations, etc.
