PRINCIPAL'S MESSAGE

It is moment of great pride for me to share with you the progress made by the school in last one year which has substantiated in making Salwan Public School as one of the best schools in Ghaziabad. I want to congratulate all the parents, students, dedicated staff team and all associated with this school directly or indirectly for their endless support in shaping up this beautiful school!!

Today education means much more than merely acquiring knowledge. It is acquisition of knowledge and skills, building character and improving employability of our young talent, the future leaders. Our CBSE results, IIT Placements, accomplishments of our alumni and the many accolades we have received are testaments to what we stand and strive for. There is no doubt in saying the painstakingly and gainfully developed Salwanian Culture inherited a strong foundation in them to march ahead and achieve the within for a stronger and brighter India.

Measures initiated by the Hon'ble Members of School Management, steps taken by the School Administration, the willing contribution of the Teaching and Non-Teaching Staff, overwhelming response and enthusiastic participation of my dear Students in the school has attributed to the success of recent past. When all the constituents come together and work in unison, the expected outcomes are bound to flow.

I am proud of being the Principal of such a wonderful institution, dedicated to the cause of education. Through education and its real empowerment, I am happy to tell you that Salwan Education Trust is celebrating its Platinum Jubilee this year.

Come on, let's give our best and make this institution a modern temple of learning with our diligence, devotion and dedication.

Wishing you all the best!

Sonia A. Verma
Principal

ESCALATING THE HEIGHTS OF SUCCESS

MOMENTOUS ZENITH IN DIGITALIZED LEARNING

The school is ranked as one of the best schools in Ghaziabad by India's most comprehensive ICT in Education, School Ranking Survey 2015.

The school is rated on the basis of incorporating digital capabilities meaningfully into its learning process and has been acknowledged for the categories "online presence and social foot prints".

We Miss You Maa.....

Late Smt. Raj Salwan
W/o Shri. Shiv Dutt Salwan
(Hon'ble Chairman Emeritus)

Maa, you have been the epitome of serenity, grace and compassion for all of us. You have dedicated your life in rendering selfless services to the community and lived a glorious life before leaving for heavenly abode on 24th November, 2015.

You will be remembered by all of us as you have touched

the lives of all with your simplicity, honesty, innocence, generosity and ever smiling countenance. Your divine virtues and humanitarian values will continue to inspire us and your fond memories will remain in our hearts forever.

Your memory as a treasure, will be missed beyond Measure
May the almighty bestow eternal peace to you noble soul.
Amen!

GREEN SCHOOLS PROGRAM AUDIT AWARD "RECYCLER OF THE YEAR" 2015

The school received GREEN SCHOOLS PROGRAM AUDIT AWARD as "Recycler of the Year" on 23rd February, 2016 for its environment related initiative in making a "Pollution free school" by Centre for Science and Environment (CSE) at India Habitat Centre, Delhi.

Over 1400 schools participated from all over India and 20 schools were selected in different categories. **This is the only school in Ghaziabad to receive the award.** Students and teachers received the award from CSE Director General Sunita Narain and Theatre & Film Personality Tom Alter at the Award Ceremony. In a Quiz Competition held on the same day conducted by CSE, Nandini Singh of Class IX won the first position.

INGENIOUS MINDS

EMERGING SCIENTISTS GUN FOR GUINNESS GLORY WITH MEGA SCIENCE EXPERIMENT

Attempting a herculean feat at the Indian Institute of Technology, 50 students from the Classes X and XI performed in 'World's Largest Practical Science Lesson' on 7th December, 2015 along with 2,000 students from 40 schools of Delhi and NCR. The idea behind this was to generate interest in science so that the next generation is capable of taking it forward as a career. The young emerging ingenious brains managed to turn methylene blue "reddish-brown" and rapidly decompose hydrogen peroxide to produce foamy ropes --- the elephant's toothpaste reaction.

Answering one of the questions asked by a reporter, Times of India, Astha Sharma of X-A said "Fenton's reaction (methylene blue) is exothermic as heat is generated," Most members of her group -- Sunny Aggarwal, Abhishek Joshi, Harshit Tripathi and Nikita Choudhary expressed their desire to crack the entrance exam and get into an IIT.

BROADENING HORIZONS OF LEARNING AT NIIT NEEMRANA, RAJSTHAN

Four students of Class X Piyush Dafauti, Aastha Sharma, Arukshita Tyagi and Vashishtha Shukla attended a Personality Development Programme at NIIT Neemrana, Alwar. The event was conducted by Nanhi Chhaan Foundation for the students who cracked the National Essay Contest. Students were armed with enlightening thoughts and ideas through presentations, sessions, debates, discussions and various innovative activities.

At Neemrana, the students were groomed through digitalized learning by framing and editing audio visual clips, laying down networks and assembling hardware components to assemble PC.

GANIT WEEK CELEBRATION

"Mathematics is the knowledge with which God has written the universe" - Galileo.

The school celebrated GANIT WEEK from 16th to 22nd December 2015 in commemoration of the great mathematician Srinivasa Ramanujan's Birth Anniversary on 22nd December, 2015 with the aim to identify, encourage, promote and nurture the talent of students and also to reduce the fear of mathematics in them. Different events were conducted for the students of Classes I to XII. Apart from the daily learning and approach to problem solving in Mathematics, this was an entirely new and interesting approach.

The activities were **MATHEMATICS RELAY RACE (I-VIII), MAGIC SQUARE (VI-VIII), INTERACTIVE SESSION ON MATHEMATICS (IX- XII), MATHEMATICS QUIZ (I- VIII), MATHEMATICAL GAME SUDOKU (VI-VIII) and INNOVATIVE PROJECT ON MATHEMATICS GOLDEN RATIO (IX-X).**

LAURELS IN ENGLISH COMPETITION

The students of Classes III-X participated in Inter School English Competition on 28th November, 2015 at DPS Rajnagar. The competition was organised to identify and recognise the students with high intellect and command over the language. Four students of the school, **Arnav Singh (III), Abhinav Anand(III), Apoorva Jha (IV), Manya Rai (IV)** secured second position in a Quiz Contest based on Grammar and Vocabulary.

QUEST FOR EXCELLENCE

The students and parents were informed about innumerable career opportunities in various streams; how to go for online aptitude tests; the authentic websites for researching about careers thoroughly and how to ascertain the recognised government institutions. The students were motivated to keep their passion alive by pursuing their career in a positive spirit. Students shared that it was an intensive interactive session asserting the importance of being realistic in life in classifying their goals.

EDUCATIONAL EXCURSION TO PARLIAMENT MUSEUM

The students of Classes VIII-X visited Parliament Museum on 14th November, 2015 with an aim to have an insightful learning about freedom struggle and working of Indian Parliament in this interactive story-telling museum. Rock edicts, miniature model of the Parliament, interactive shows, and display of democratic heritage, antique election procedures, Buddhist Council, Akbar and Ashoka's rule, freedom movement, transfer of power and Unity in Diversity were studied and comprehended by the students. Jawahar Lal Nehru's speech on midnight of 14th-15th August 1947 was also showcased in his original voice in a set up which made the visit on Children's Day more meaningful.

CONNECTING WITH PARENTS

INTERFACE PROGRAMME

.....a stride by the school to hone the child's excellence

An **"Interface with Parents"** was organized from 7th to 12th December 2015. The parents who were involved in the teaching-learning process, used PowerPoint presentations, conducted activities with hands on experience, acquainted the students with professional knowhow in current scenario, safety tips, environment & gender sensitization. They used different teaching aids such as pictures, worksheets and hand-outs to make concepts interesting. They appreciated the enthusiasm and awareness of the students.

AN INTERACTIVE SESSION WITH PARENTS ON "NO TUITION SCHOOL"

"The most overwhelming key to child's success is the positive involvement of the parents and the school"

An interactive session for the parents of tuition going children was organized on 12th and 13th January 2016. The aim of the session was to encourage independent learning, enhance self-study skill among all the students and make the parents aware about the consequences of tuition. Parents expressed their views and challenges they face with respect to their children's academic progress. Constructive guidelines to make students responsible were shared among teachers and parents. Healthy discussion on the importance of role of parents and teachers was done. The parents were informed that our school follows a progressive and sophisticated methodology of teaching and that of teaching cannot be adequately taught by the tuition teachers. The session helped the parents to comprehend and value their important role in the progress of their children. The parents appreciated the initiative taken by the school and assured their full support to make the initiative successful.

In the emotionally charged atmosphere, students pledged to work hard to excel in Board Exams. Teachers showered their blessings on the students and urged them to work hard with dedication and determination and grab the bright future that awaits them. The ceremony was followed by "Hawan" to invoke the blessings of Almighty for the excellent results in Board Examinations.

BIG DREAMS

Big dreams, small eyes
Explore the world,
Explore the skies,
Learn to know more,
Wish to see better
Dreams are my life

I shall explore it with sheer
With dangling feet frizzy hair
With commotion and emotion
With surprises and a lot exercises
With dance and chance
While singling along and travelling long
While being buzzy and feeling dizzy
With big dreams, small eyes
Explore the world, explore the skies.

मेरे सपनों का भारत

आजादी के साल हुए कई, पर क्या हमने पाया है।
सोचा था क्या होगा लेकिन, सामने पर क्या आया है।
रामराज सा देश हो अपना, बापू का था सपना।
चाचा बोले आगे बढ़कर, कर लो सबको अपना।
आजादी फिर छिने न अपनी, भारत देश है प्यारा।
जय जवान जय किसान, दिया शास्त्री ने नारा।
सोचे इनके सपनों को हम कैसे साकार करेंगे।
भ्रष्टाचार हटा देंगे हम, आगे तभी बढ़ेंगे।
मुश्किल नहीं पूरा करना, इन सपनों का भारत।
अपने अंदर की शक्ति को, करो अगर तुम जाग्रत।
आओ मिलकर कसम ये खाएँ, ऐसा सभी करेंगे।
शिक्षित हो अगर हर बच्चा, उन्नति तभी हम करेंगे।
